

BEHAVIOUR POLICY

JUNGLELAND will not tolerate abusive or badly behaved children. If you are witness to any such like behaviour, please find a member of staff so the following steps can be taken.

1. The child will be spoken to in a firm but polite manner, and asked to consider other children whilst in our play equipment.
2. If their behaviour persists, the child will be asked to leave the play equipment and will be taken to their parent/guardian.
It may be necessary at this point to suggest a short cooling down period for the child.
3. If the child is not willing to change their behaviour, it is our company policy for the child to leave Jungleland and potentially be given a 6 month ban.

JUNGLELAND will not tolerate any aggressive or abusive behaviour from parents/guardians and would appreciate your support to ensure **JUNGLELAND** continues to be a safe and enjoyable environment for all.
